Dear FIABCI members and friends,

We have received your interest or registration of participation for FIABCI-Suisse 70th Anniversary on December 10th 2021 in Lausanne and thank you very much for your interest in our chapter.

Nevertheless, it is with deepest regret that we inform you about our decision to postpone our jubilee event to spring 2022. We will contact you as soon as a new date will be confirmed. The reason for this decision is the small number of participants that are yet registered. As you may understand, due to the current Covid-19 pandemic only few people can travel from other countries (chapters) to Switzerland. On the other hand, the year-end period is quickly approaching and many people already have other private or professional events during this period.

All of this results in a high level of uncertainty. For this reason, we prefer to postpone this event to a near future, where hopefully less travel restrictions will be imposed and people can travel internationally again.

Concerning the eventual refunding please send your Bank account information to info@fiabci.ch.

Important only for FIABCI-Suisse members and FIABCI-Representatives:

The date and time of the **General Assembly remain unchanged: Friday, December 10th 2021 at 15.00h**. Only the General Assembly, followed by a dinner, will be held at a **new location: Hôtel Lausanne Palace**, Rue du Grand-Chêne 7-9, 1002 Lausanne.
